

## REAL AGRADO

RED 2015

This wine is made with healthy, ripe grapes from our own vineyards on alluvial (stony) and loamy soils. It is composed above all of Garnacha wine (85%) which is complemented with Tempranillo wine (15%), so obtaining the fruity freshness of Garnacha and the body, smoothness and volume of Tempranillo. The Garnacha wine is made carefully without unduly extending maceration. The Tempranillo wine is made with carbonic maceration. The combination of the two wines in this proportion produces a well assembled, balanced wine with hints of strawberry, blackberry and smooth liquorice. With mature tannins, body and volume, smooth and broad, it is later refined during its time in the tanks and subsequently in the bottle.

This is a generic wine from a particular year which is well assembled, fruity, with a certain structure, sticky sweet and pleasant to drink on a night out.

### Analytical data

Degree of Alcohol:	14 % Vol.
Free /Total Sulphur Dioxide:	32/96 mg./lit.
Volatile Acidity:	0.47gr./lit.(in Acetic Acid)
Total Acidity:	5.4 gr./lit. (in Tartaric Acid)
pH:	3.65
IC (Intensity of Colour):	9.00
Total Polyphenol Index:	60
Reducing agents:	2.00gr./lit.

**TASTING** Red with abundant purple, bright and clean. Aromas of strawberry, cherry and blackberry. Flavour of red fruits (cherry and strawberry), a certain mineral quality and freshness, fruit jams and patisserie. Sticky, smooth and sweet with a long, elegant finish.

Best served at a temperature of between 15/16 ° C.
